

Cupuacu Butter

Cupuacu butter is a hugely underrated butter.

WHY CUPUACU BUTTER IS GREAT:

- Cupuacu butter is a brilliant emollient. It is softening and soothing for your hair. If your hair is dry; cupuacu butter retains moisture and thus infuses your dry hair full of moisture.

HOW TO USE CUPUACU BUTTER:

- Cupuacu butter can be used on its own as alone it is very moisturising.
- Can be used mixed with oils, aloe vera gel or other butters.
- Add cupuacu butter to your conditioner to enhance its moisturising properties.
- Cupuacu butter is a great styling agent and can be used alone or mixed with other styling products for twisting, braids or as a general styling product.
